Expectations and Grace

- ★ People tend to live up—or down—to our expectations.
- ★ Expect the best from people, and from yourself ...
 - ★ but when you get less than the best, show grace.
- ★ Failure need not be final.

What if 2020 isn't cancelled?

What if 2020 is the year we've been waiting for?

A year so uncomfortable, so painful, so scary, so raw —
that it finally *forces* us to grow.

A year that screams so loud, finally awakening us
from our ignorant slumber.

A year we finally accept the need for change.

Declare change. Work for change. Become the change.

A year we finally band together, instead of
pushing each other further apart.

2020 isn't cancelled, but rather
the most important year of them all.
